

Facilities available

at

ICAR-Indian Institute of Agricultural Biotechnology, Ranchi

Molecular Biology laboratories

Real-time PCR

Ultra-Deep freezer (-80°C)

PCR machine (thermal cycler)

Refrigerator

Refrigerated centrifuge

Electrophoresis with power supply

Spectrophotometer

Ice flaking machine

Water bath

Autoclave

Incubator shaker

Distillation assembly

Deep freezer (-20°C)

Fish wet lab facilities

FRP tanks of various capacities

Aquarium of various sizes
